## Share Your Montecatini Memories

Montecatini Ristorante has been in Walnut Creek since **October 17, 1989**. We opened at the same hour when the Loma Prieta Earthquake hit the San Francisco Bay Area. Chef Ermes Paulin opened the restaurant at 5 pm, and four minutes later, the 6.9 earthquake shook the Bay Area. 30 years later, we are still here!

We have been asking our customers for their Montecatini stories and have posted some at <http://montecatinirestaurant.com/30th-anniversary/> Do you have a Montecatini story to tell? **Share your stories, memories and pictures with us by hitting reply from this email.**

**We are giving away three \$50 gift certificates by random drawings from all who share their Montecatini stories and pictures.** You can send us a few sentences or a few paragraphs, your choice... Pictures, memories, children growing up, marriage proposal at Montecatini? We love to hear from you. Click reply now!

## Thank You
