Montecatini on TV Regarding Mask Wearing

Last Saturday, July 11, Teresa was interviewed by KTVU Channel 2 in front of Montecatini regarding Covid-19, face covering mandate and the restaurant business. There was only the cameraman there filming. Teresa

was looking at the cameraman and answering the reporter, Greg Liggins' questions from his home on an iphone on a stand next to the microphone. Greg interviewed Teresa regarding Montecatini, Covid-19 shutdown, and the latest face mask mandate for about 15 minutes. **Teresa said that although the mandates are bad for business, it is the right thing to do at this time to contain the spread of Covid-19.** Only a few seconds of the interview was aired that night at Channel's 2's 10 O'clock News. Montecatini was nicely mentioned. **Please click here to watch an excerpt of the KTVU news segment mentioning Montecatini that evening.**
