## Ready for Safe Indoor Dining

Our air purifiers came in early and we are excited to **open for SAFE indoor dining**

**starting this Saturday October 31st, then every Thursday, Friday and Saturday starting at 5 pm in November, except for Thanksgiving week.** Pictured here is Chef Ermes in our newly configured dining room

where we now have 10 tables for our guests. **We have removed 16 of our 26 regular tables for social distancing.** Also, shown in the picture is our three large-room air purifiers that can provide several air changes inside our dining room every hour and will eliminate 99.97% of harmful airborne allergens, particulates and microbes.

**We will be** following CDC, California and Contra Costa County restaurant reopening guidelines to reduce Covid-19 risks including **asking everyone to wear face-covering except when our guests are sitting down at their dining table.** We will **limit party size to no more than 6 per table,** and dinner **seating to be 90 minutes or less.** Our employees and our guests can be sure that we are doing everything we can to keep everyone safe and at the same time, provide a delicious meal and a joyful dining experience. It will be wonderful to see guests in our dining room again and **we are grateful for everyone's patience and support!**

**MAKE A RESERVATION NOW**

Since we only have 10 tables now, seating is limited.
